

FALL'S BOUNTY | BANNER TEMPLATE: Handwrite onto blank flags or type in the letters of your choice by placing your cursor in the center of the blank flag and typing. Print as many flags as you need to complete your message onto heavyweight cardstock. Cut just outside each flag's brown outline. For added visual interest, cut slightly larger triangles from decorative paper and adhere lettered triangles on top, leaving a 1/4" border all around. Use a hole punch to punch holes at the corner of each for weaving your string or ribbon through. If necessary for your message, the apostrophe circle may be cut out or punched using a 2.5" scalloped or plain circular punch.
